Agency and Program Background

COA was established in 1970 and was incorporated as a nonprofit agency in December 1971. In 1974, COA was designated by the Ohio Commission of Aging, now the Ohio Department of Aging (ODA), as the Area Agency on Aging for Butler, Clermont, Clinton, Hamilton and Warren counties. These five counties comprise Planning and Service Area Number 1 (PSA-1) in the State of Ohio.

COA, providing service to older adults for more than 40 years, is Southwestern Ohio's AAA. Our mission: Enhance lives by assisting people to remain independent through a range of quality services. These include advocacy, caregiver support, counseling, health promotion, home and community-based services, legal assistance, nutrition, senior centers, and transportation.

Section Two: Service Delivery

Adult Day Service

As a part of COA's services, adult day services are offered to eligible seniors through the Elderly Services Programs in Butler, Clinton, Hamilton and Warren Counties. Adult day services are community-based group programs designed to meet the needs of functionally and/or cognitively impaired adults through an individual plan of care. These structured, comprehensive programs provide a variety of health, social, and other related support services such as personal care and socialization in a protective setting during any part of a day, but less than 24-hour care. Adult day centers are designed to serve adults who are physically impaired or mentally confused and may require supervision, increased social opportunities, or assistance with personal care or other daily living activities.

Adult day centers generally operate programs during normal business hours, five days a week. Some programs offer services in the evenings and on weekends.

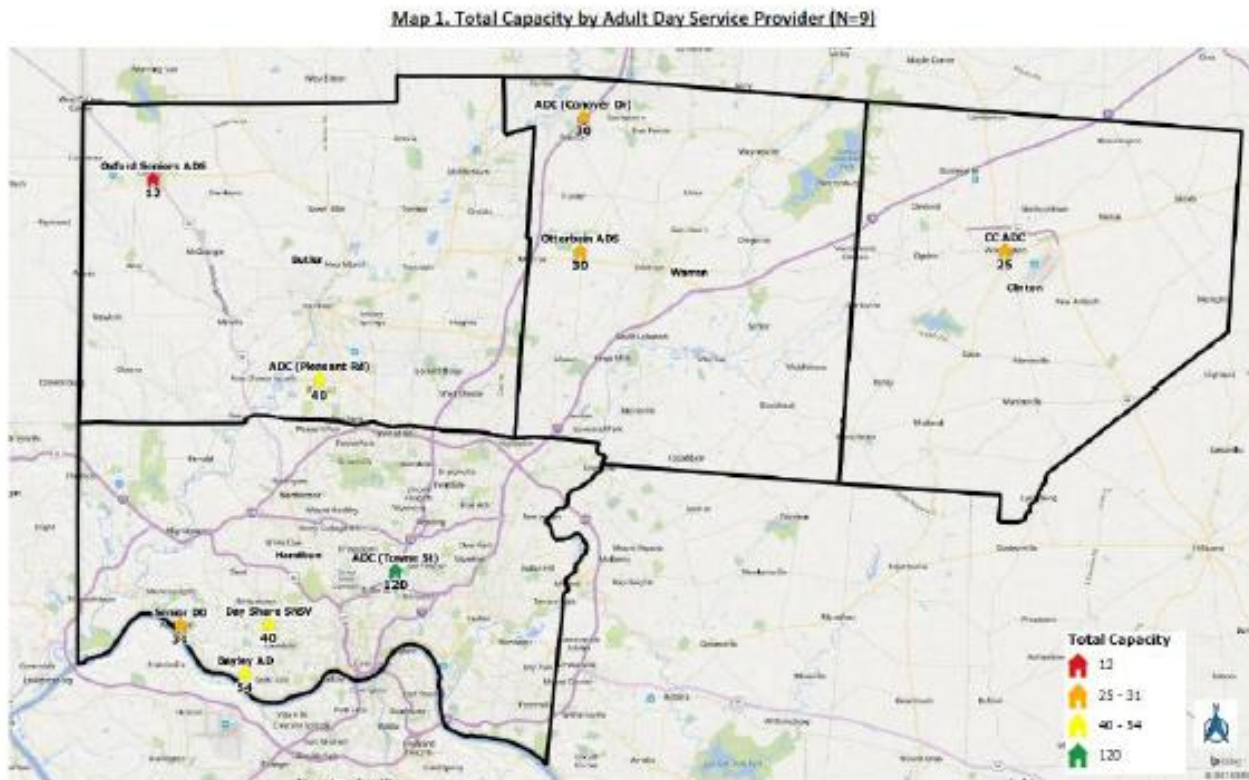

COA ESP providers furnished adult day services to clients residing in Butler, Clinton, Hamilton and Warren Counties as outlined in **Table 1**.

The Conditions of Participation and Service Specifications are located in **Attachments 2-6**.

Section Three: How this RFP is different from previous RFPs

Service Specification Changes

The service specification for Adult Day Services (ADS) has been updated. Pending approval by each county Advisory Council, the specification will be effective October 1, 2019.

Adult Day Service Specification changes:

1. Updated the ADS unit definition to reflect changes resulting from CareDirector.
2. The unit of service for ADS transportation will no longer be captured based on mileage. The new ADS unit of transportation is defined as a one-way trip. The unit rate for transportation should include the cost of transporting the client one-way from each of the respective zones you bid upon. It is an industry standard that ADS transportation trips include multiple passengers.
3. Eliminated the provider requirement of updates to the CM every 3 months.
4. Elimination of the mandatory number of hours a RN is required to be on-site.
5. Allow ADS providers to subcontract with any COA contracted ESP, PASSPORT or Title III transportation provider.
6. Expanded opportunities for ADS providers to hire personal care staff by updating qualifications and training requirements.

Service Qualifications and Requirements

Adult Day Service Providers can meet the meal and snack requirement by 1) using the COA contracted caterer, or 2) be a Self-Producer who is licensed by the Ohio Department of Agriculture and meets the specifications outlined in **Attachments 5 and 6**.

Adult Day Service Providers must meet the transportation service as outlined in **Attachment 4**.

Contract Changes

Any bidder whose proposal successfully completes the evaluation process, but does not have a current contract with COA, is subject to a pre-certification review prior to receiving an adult day service agreement. All Adult Day Service Providers are required to use COA's care management and provider management platform - CareDirector.

APPENDIX A: Emergency Preparedness Plan

Policy Statement

In an emergency, it is Council on Aging of Southwestern Ohio's (COA) responsibility to do what is necessary to sustain critical services to our clients. An "emergency" is defined as an event or series of events that place the operational capacity of COA at risk and/or significantly disrupts client services or places clients at risk. When such events occur, COA will coordinate efforts of the whole provider network in developing a response strategy and will also serve as the primary liaison to the local emergency management officials on behalf of the agency network. Providers are therefore expected to cooperate with these efforts and make their resources available to respond in a crisis.

COA's Continuity of Operations Plan (COOP) for responding to emergencies is activated at the discretion of the CEO and/or the Senior Leadership Team and may be activated if any of the following circumstances apply:

- Operational capacity has been or is likely to be impacted for more than 72 hours.
- If client services have been or are likely to be disrupted for more than 24 hours.
- If clients are or are likely to be at risk.
- If the magnitude of the event requires significant mobilization of resources.

A weather alert or warning is issued by the National Weather Service and COA deems it necessary to prepare for weather which will significantly impact client services and business operations.

As emergencies do not always present themselves immediately and may develop over time, COA and the Provider must be able to recognize potential emergencies that place our operations or clients at risk. Clients may be at risk even if operations are not impacted, for example, a power outage during a heat wave.

Provider Requirements in an Emergency

The Provider agrees to the following:

1. The Provider will have a continuity of operations plan. At a minimum, that plan will include a plan for back-up operations should the provider's main business location become unavailable.
2. In the event of an emergency, COA will activate their Continuity of Operations Plan and notify providers that the COOP is activated and provide a single point of contact for the providers. Unless otherwise specified, COA's Procurement and Provider Relations Manager will serve as the primary point of contact and the Director of Business Operations will serve as the backup. Notification may be made by email, telephone, or website.
3. COA will take the lead in coordinating the response, unless COA's operations are significantly impacted by the emergency. The Provider will work with COA to coordinate the response. The Providers agree to follow the instructions provided by COA and local EMA officials. The Provider will deploy available resources to aid in the response effort even if the activity is outside the normal course of operations. This may include:
 - a. Not closing operations, and standing ready to step up operations and services; Providing services beyond the provider's traditional territory;
 - b. Deploying the provider's resources in different ways to include the provider's facility(s), equipment, staff, and resources (e.g., using the senior center as emergency shelter/housing).

4. The provider will notify COA immediately if the Provider is unable to provide services for which they are contracted and/or provide emergency response support as requested.
5. Providers will report information to COA immediately if they believe a situation is developing that may severely impact their operational capacity or place clients at risk and/or upon request of COA or emergency management officials.
6. The provider will notify COA immediately if the Provider has information about changes to client needs during an emergency.
7. COA will work with providers to seek funding, as available from other sources which become available when a state of emergency is declared, in the event the providers incur unfunded expenses in the effort to maintain client safety, sustain critical services, and/or meet critical needs not covered, but required due to the crisis. Providers will therefore track their expenses during crisis situations where COA has activated the COOP.
8. The Provider will participate in readiness activities such as planning for emergencies, table top and other exercises, and providing contact and other organizational information.

SECTION 3 REIMBURSEMENT FOR SERVICES PROVIDED

- C. COA shall have the right to refuse to process Provider claims when claims are not received within seventy five (75) days after the end of the month in which Provider delivered the services. SECTION 5 INDEMNIFICATIONS

At all times during the term of the Agreement and to the extent permitted by law, Provider hereby agrees to indemnify COA and County, together with their respective trustees, commissioners, members, directors, officers, employees, assigns, and agents, and to hold COA and County harmless from and defend COA and County against any and all claims, demands, losses, liabilities, costs and expenses (including but not limited to reasonable attorneys' fees and court costs) arising in connection with or resulting from any breach or violation of this Agreement by Provider or negligent acts or omissions of Provider or anyone acting on Provider's behalf. This indemnification is not to be construed as a waiver of any and all defenses that Provider has against COA and County. Nothing herein shall limit the right of COA or County to participate in its own defense.

SECTION 6 INSPECTION AND MONITORING

- A. Provider shall maintain and, upon request, make available to COA, the County Board of Commissioners, or any of their duly authorized representatives independent books, records, payroll, accounting procedures and practices, and documents which sufficiently and properly document and reflect all direct and indirect costs of any nature expended in operating the ESP. Such records shall be subject at all reasonable times to inspection, review, and audit by COA, the County, or their designees, or any government agency having responsibility or control over expenditure of public funds for the purposes of making audit, examination, excerpts, and transcriptions, determining compliance with all applicable laws and regulations of any kind, and the terms and conditions of this Agreement.
- B. Provider will be monitored periodically by a representative(s) from COA, or a duly authorized representative, and Provider will permit access for such monitoring at all reasonable times. The monitoring will be to determine whether Provider's activities are being carried out as specified by the Agreement. Monitoring activities may include, but are not limited to, on-site observation, inspection, interviews of staff and clients, and review of Provider employee and fiscal records related to the services provided under this Agreement and any other procedures, plans, documents and records which are directly pertinent to this Agreement. Specific monitoring methods and information to be requested may be discussed with Provider, although COA reserves the right to make final determination of the methods to be used and the information, pursuant to this Agreement, to be collected. Adequate measures will be taken by COA to insure that records of a confidential nature will not be compromised. If, in the judgment of COA, Provider is found to be in violation of this section or unable to carry out its provisions, COA, at its option, may suspend or terminate this Agreement,
- C. Provider agrees to accept responsibility for receiving, responding to, and/or complying with any audit exceptions noted in the course of any audit in connection with this Agreement. Such responsibility shall include, but not be limited to, the following actions with respect to any such exception:
 - 1. Provider shall repay COA the full amount of any funds received for services not

- B. Provider further agrees that in the event its comprehensive general or professional liability policy is maintained on a "claims made" basis, and in the event that this Agreement is terminated, Provider shall continue such policy in effect for the period of any statute or statutes of limitation application to claims thereby insured, notwithstanding the termination of this Agreement.
 - C. Provider shall have all the above described insurance in full force and effect prior to the commencement of work under this Agreement. The insurance must be through a carrier licensed to provide insurance in Ohio and reasonably acceptable to COA. Provider agrees to deliver memorandum copies of such policies to COA upon request. Provider agrees to make best efforts to provide COA at least thirty (30) days advance notice, and in any event will provide notice as soon as reasonably practicable, of any cancellation or material modification of said policies. Cancellation or non-renewal of required insurance, or not furnishing COA with evidence of required insurance coverage, shall be grounds to terminate this Agreement.
 - D. The insurance required under this Agreement shall cover the acts or omissions of both paid employees and volunteers working for Provider.
 - E. Provider shall require the same amount of insurance from all subcontractors utilized under this Agreement.

SECTION 12 AMENDMENTS

This Agreement may not be amended except through a written instrument signed by both parties. It is agreed, however, that any amendments to laws, rules, or regulations cited herein, or The Scope of Services, Provided by the State of Ohio, will result in the correlative modification of this Agreement, without the necessity for executing a written amendment.

During the term of this Agreement COA may adopt provider quality measures (“PQMs”) designed to ensure that providers are meeting expected quality performance standards. Any PQMs so adopted shall be generally applicable to providers providing services through contracts with COA. COA reserves the right to unilaterally modify the Agreement, upon written notice to the Provider, to implement any provider quality program adopted by COA after the date of this Agreement. Provider’s performance, as measured by PQMs, may be used by COA in determining Provider’s eligibility to participate in COA’s “request for services” system, and the failure of Provider to meet minimum PQMs may be used by COA as grounds for imposing sanctions on Provider.

SECTION 13 TERMINATION

- A. Notwithstanding anything herein to the contrary, either party may at any time during the term of the Agreement or any extension thereof, with or without cause and without having to show a breach, terminate this Agreement by giving ninety (90) days’ notice in writing to the other party of its intention to do so. Provider must notify COA of its intent to terminate this Agreement prior to notifying clients (being serviced by Provider for COA. under this Agreement) of such termination. Provider will assist care managers with transition of clients to another contracted COA Provider as necessary. In addition, the Agreement may be terminated at any time (without 90 days written notice) by COA for good and just cause as determined within the sole and absolute discretion of COA, including but not limited Provider’s neglect, misconduct, fraud, misappropriation, embezzlement, violation of any of the provisions of this Agreement, or to funding decline. In the event funds to finance this Agreement, or part of this Agreement, become unavailable, the parties will make best efforts to provide twenty (20) days written notice to the other party prior to termination. COA shall be final authority as to the availability of funds. All such notices shall be in writing and shall be delivered according to the “Notice Requirements” provided in Section 16 of this Agreement.
- B. If, in the opinion of COA, the Provider has materially breached any of the terms of this Agreement, COA shall deliver to Provider a written notice detailing the nature of the breach. If Provider has not cured or made arrangements satisfactory to COA to cure the breach within ten (10) working days of receipt of the written notice thereof, COA, at its sole discretion, may suspend or terminate this Agreement immediately upon written notice of such suspension or termination. COA, or the agency under contract to administer Care Management for COA, reserves the right to disenroll clients from service by Provider at any time within its sole discretion which shall not be deemed a breach of this Agreement by COA.

SECTION 14 ASSIGNABILITY

- A. Except as expressly provided herein, neither COA nor Provider has the right or power to assign, subcontract, or transfer its rights and duties under this Agreement without the prior written consent of the other. COA and Provider each bind themselves, their successors, and

assignees to this Agreement.

- B. Nothing herein shall be construed as creating any personal liability on the part of any officer, director, trustee, member, employee, or agent of either COA or Provider.
- C. If Provider is purchasing or being purchased by, or merging with, another entity (even if the purchasing/merging entity is a Provider with an existing Service Provider Agreement with COA), Provider shall provide written notice to COA at least ninety days (90) prior to the effective merger or purchase date. COA reserves the right to not approve of the Purchase or Merger if not in the best interest of COA or its clients and to cancel its contract with the Provider. Provider must notify COA prior to notifying clients (being serviced by Provider, for COA under this Agreement) of such purchase or merger. Provider will assist care managers with transition of clients to another contracted COA Provider as necessary. Provider acknowledges that a purchase of, or merger with, another entity may affect the terms of this Agreement.
- D. In the event that Provider subcontracts any of its obligations hereunder, Provider shall not be released from said obligations and Purchaser shall remain directly liable to COA for compliance with all of the terms of this Agreement and full performance of all of Provider's obligations hereunder, as and when the same are due.

SECTION 15 MISCELLANEOUS

A. APPEALS:

Provider shall have the right of appeal on actions taken by COA pertaining to this Agreement per COA policies.

B. CONFLICT OF INTEREST:

Provider agrees that it will not enter into any agreements or arrangements that would be in direct conflict with the spirit of this contract or any of the attached Exhibits.

C. RELATIONSHIP OF THE PARTIES:

It is mutually understood and agreed that Provider is and shall at all times be considered to be engaged by COA to perform services pursuant to this Agreement as an independent contractor. Provider is not an agent or employee of COA by virtue of this Agreement. COA shall neither have nor exercise any control or direction over the methods by which Provider shall perform Provider's work and functions under this Agreement, provided that all services shall at all times be performed in a manner consistent with all relevant professional standards and the provisions of this Agreement.

This Agreement may be renewed or extended upon the mutual written agreement of Provider and COA.

D. MEDIA, PUBLIC RELATIONS, AND OUTREACH:

Provider shall collaborate with COA to help ensure that media relations, public information, and outreach related to this agreement or the services provided under this agreement are mutually beneficial to the Provider and to COA including any use of social media.

Any outreach campaigns, including media relations, shall be coordinated with the COA Communications Director prior to planning such campaigns. Program information, whether in print or electronic format, shall include at a minimum, the COA Agency Partner logo and a statement that the program is administered by Council on Aging of Southwestern Ohio. Formats for such information include, but are not limited to brochures, annual reports, news releases, media interviews, and web site content. The COA Agency Partner logo can be downloaded from the COA website, www.help4seniors.org, under Service Provider Information. Or, upon request to the Communications Director, COA will furnish Provider with logo in electronic format.

If provider has a web site that includes content about the Services provided by this agreement, Provider shall establish and maintain a link from the COA section to the COA website, www.help4seniors.org.

Although information about and generated under this Agreement may fall within the public domain, Provider will not release information about or related to this Agreement to the general public or media verbally, in writing, or by any electronic means without prior approval from the COA Communications Director, unless Provider is required to release requested information by law.

Except where COA approval has been granted in advance, the Provider will not seek to publicize and will not respond to unsolicited media queries requesting: announcement of Agreement award, Agreement terms and conditions, Agreement scope of work, government-furnished documents COA may provide to Provider to fulfill the Agreement scope of work, deliverables required under the Agreement, results obtained under the Agreement, and impact of Agreement activities. If contacted by the media about this Agreement, Provider agrees to notify the COA Communications Director in lieu of responding immediately to media queries. If it is not feasible for the Provider to contact the Communications Director first, the Provider may discuss with the media general service provision only as related to the Agreement.

Nothing in this section is meant to restrict Provider from using Agreement information and results to market to specific clients or prospects.

Provider shall not make any monetary, material or "in kind" contribution of any nature to COA or any COA staff member, manager, trustee, officer or agent. COA reserves the right to announce to the general public and media: award of the Agreement, Agreement terms and conditions, scope of work under the Agreement, deliverables and results obtained under the Agreement, impact of Agreement activities, and assessment of Providers' performance under the Agreement.

Provider will ensure that no information about, or obtained from, an individual and in its possession will be disclosed in a form identifiable with an individual without the informed consent of the individual. Lists of older persons compiled pursuant to the provision of Information and Referral will be used solely for the purpose of providing social services, only with the informed consent of each individual on such list.

E. WAIVER OF BREACH:

Any waiver of any breach of this Agreement shall not be construed to be a continuing waiver or consent to any subsequent breach on the part of either party to this Agreement.

F. SEVERABILITY:

If any provision of the Agreement is held to be unenforceable for any reason, the remainder of this Agreement shall, nevertheless, remain in full force and effect.

G. GOVERNING LAW:

This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio, without regard to its rules as to conflicts of laws.

H. RESTRICTION ON USE OF LEVY FUNDS:

Provider agrees that funds will not be used by the Provider to engage in any claim or litigation against the COA, the State of Ohio or any department or division of the government. In addition, funds may not be used for any political campaign purpose.

I. DISPUTE RESOLUTION:

The parties of this agreement acknowledge that despite best intentions, complaints and disputes can occur. To aide in the resolution of a complaint or dispute a Non-Disparagement Clause has been added to this Agreement. For the purposes of this section “disparage” shall mean any negative statement, whether written or oral about the other party. COA desires to resolve all complaints and disputes to the mutual satisfaction of all parties and has procedures in place for complaints and disputes to be addressed and resolved. As a part of this Agreement Provider affirms that neither it nor any of its officers, employees, or board members will publicly criticize, disparage or defame COA, or its products, services, policies, officers, employees or board members, with any written or oral statement or image, including, but not limited to, any statements made via websites, blogs, and postings to the internet, or email. This non-disparagement clause does not limit the Provider or any of its officers, employees or board members, the right to make statements to any government or law enforcement agency regarding criminal wrong doing. Also as a part of this Agreement COA affirms that neither it nor any of its officers, employees, or board members will publicly criticize, disparage or defame Provider, or its products, services, policies, officers, employees or board members, with any written or oral statement or image including, but not limited to, any statements made via websites, blogs, postings to the internet, or email. This non-disparagement clause does not limit COA or any of its officers, employees or board members the right to make statements to any government or law enforcement agency regarding criminal wrong doing.

Provider agrees that any disputes between Provider and COA which are unable to be resolved between the parties shall be resolved in accordance with the applicable requirements, if any, under the agreement between COA and the County with respect to the delivery of services reimbursable with Levy funds.

J. CONTINUITY OF OPERATIONS:

Provider should have a plan in place to ensure continuity of operations in the event of an emergency and other contingencies, including but not limited to weather related situations. The provider will notify COA immediately if the Provider is unable to provide services for which they are contracted and/or provide emergency response support as requested. This includes, but is not limited to, closing for the day for weather related reasons. Providers will report information to COA immediately if they believe a situation is developing that may severely impact their operational capacity or place clients at risk and/or upon request of COA or emergency management officials. The provider will notify COA immediately if the Provider has information about changes to client needs during an emergency.

K. INCIDENTS AND ALERTS:

Provider shall notify COA of any and all major unusual incidents that impact the Provider and/or any client served pursuant to this Agreement. The notification shall be phoned or e-mailed to COA's Manager of Contracts and Procurement and the Manager of Medicaid Waiver Programs immediately, within one hour, after the Provider becomes aware of the incident or the alert. Provider agrees to furnish upon request of COA any reports relating to such incidents and alerts and to cooperate with COA and/or its authorized representatives in any investigation of any major unusual incident.

L. PROVIDER NETWORK:

COA reserves the right, at its sole discretion, to expand and or refresh the Provider Network in any or all categories of service, to include the addition of categories or subcategories, or to meet geographic needs, by the issuance of additional RFP(s) or by other means, if it is deemed to be in the Client's best interest. COA intends to review and assess this need at least annually.

M. INTELLECTUAL PROPERTY; CONFIDENTIAL, PROPRIETARY AND TRADE SECRET INFORMATION:

COA shall have sole and exclusive rights to and interests in any rights, ownership, interests and all intellectual property, including but not limited to copyrights, patents, technology secrets, commercial secrets and others, arising from the performance by the Provider of its obligations under this Agreement, whether developed by either Party. The parties agree that this article survives the modification, termination or expiration of this Agreement. Any and all intellectual property of COA and any and all confidential, proprietary and trade secrets of COA remains the property (hereinafter "IP") of COA at all times during this Agreement and thereafter. Such IP includes but is not limited to pricing information, strategic information and/or service delivery methodology or systems. COA does not transfer IP to the Provider or third-parties, or authorize the Provider to disclose IP to third-parties, without the express written consent of COA. COA preserves all legal remedies to protect its IP; and Provider agrees to Indemnify COA against losses or damages to COA as a result of any unauthorized use or disclosure of COA's IP.

N. **CONFIDENTIALITY:**

Confidential, proprietary, and trade secrets may be shared only with and among those contracted or subcontracted to provide services under this agreement and only for the purpose of fulfilling the requirements of this contract. Provider agrees to maintain confidentiality to the extent permissible by law.

SECTION 16 EMERGENCY PREPAREDNESS

Policy Statement:

Policy Statement: In an emergency, it is Council on Aging of Southwestern Ohio's (COA) responsibility to do what is necessary to sustain critical services to our clients. An "emergency" is defined as an event or series of events that place the operational capacity of COA at risk and/or significantly disrupts client services or places clients at risk. When such events occur, COA will coordinate efforts of the whole provider network in developing a response strategy and will also serve as the primary liaison to the local emergency management officials on behalf of the agency network. Providers are therefore expected to cooperate with these efforts and make their resources available to respond in a crisis. COA's Continuity of Operations Plan (COOP) for responding to emergencies is activated at the discretion of the CEO and/or the Senior Leadership Team and may be activated if any of the following circumstances apply:

- Operational capacity has been or is likely to be impacted for more than 72 hours
- If client services have been or are likely to be disrupted for more than 24 hours.
- If clients are or are likely to be at risk.
- If the magnitude of the event requires significant mobilization of resources.
- A weather alert or warning is issued by the National Weather Service and COA deems it necessary to prepare for weather which will significantly impact client services and business operations.

As emergencies do not always present themselves immediately and may develop over time, COA and the Provider must be able to recognize potential emergencies that place our operations or clients at risk. Clients may be at risk even if operations are not impacted, for example, a power outage during a heat wave.

Provider Requirements in an Emergency

The Provider agrees to the following:

1. The Provider will have a continuity of operations plan. At a minimum, that plan will include a plan for back-up operations should the provider's main business location become unavailable.
2. In the event of an emergency, COA will activate their Continuity of Operations Plan and notify providers that the COOP is activated and provide a single point of contact for the providers. Unless otherwise specified, COA's Procurement and Provider Relations Manager will serve as the primary point of contact and the Director of Business Operations will serve as the backup. Notification may be made by email, telephone, or website.
3. COA will take the lead in coordinating the response, unless COA's operations are significantly impacted by the emergency. The Provider will work with COA to coordinate the response. The Providers agree to follow the instructions provided by COA and local EMA officials. The

Provider will deploy available resources to aid in the response effort even if the activity is outside the normal course of operations. This may include:

- a. Not closing operations, and standing ready to step up operations and services;
- b. Providing services beyond the provider's traditional territory;
- c. Deploying the provider's resources in different ways to include the provider's facility(s), equipment, staff, and resources (e.g., using the senior center as emergency shelter/housing).
4. The provider will notify COA immediately if the Provider is unable to provide services for which they are contracted and/or provide emergency response support as requested.
5. Providers will report information to COA immediately if they believe a situation is developing that may severely impact their operational capacity or place clients at risk and/or upon request of COA or emergency management officials.
6. The provider will notify COA immediately if the Provider has information about changes to client needs during an emergency.
7. COA will work with providers to seek funding, as available from other sources which become available when a state of emergency is declared, in the event the providers incur unfunded expenses in the effort to maintain client safety, sustain critical services, and/or meet critical needs not covered, but required due to the crisis. Providers will therefore track their expenses during crisis situations where COA has activated the COOP.
8. The Provider will participate in readiness activities such as planning for emergencies, table top and other exercises, and providing contact and other organizational information.

WHEREAS, pursuant to the Health Insurance Portability and Accountability Act of 1996, Pub. L. 104-191, 110 Stat. 2024 (Aug. 21, 1996) (“HIPAA”), the Office of the Secretary of the Department of Health and Human Services has issued: (1) regulations providing Standards for Privacy of Individually Identifiable Health Information at 45 CFR Part 160 and Subparts A and E of Part 164 (“Privacy Rule”); (2) regulations providing Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 160 and Subpart C of Part 164 (the “Security Rule”); (3) regulations requiring certain transmissions of electronic data be conducted in standardized formats at 45 CFR Subpart I of Part 162 (the “Electronic Transactions Rule”); and (4) regulations modifying the Privacy Rule, Security Rule, Enforcement and Breach Notification Rules; and

WHEREAS, the privacy and security provisions of HIPAA have been amended by the Health Information Technology for Economic and Clinical Health Act (HITECH) provisions of the American Recovery and Reinvestment Act of 2009, and any and all references in this Agreement to the “HIPAA Rules” shall be deemed to include the Privacy Rule, the Security Rule, the Electronic Transaction Rule, HITECH, the Enforcement and Breach Notification Rules, and all existing and future implementing regulations, as they become effective; and

WHEREAS, the HIPAA Rules provide, among other things, that a Covered Entity is permitted to disclose Protected Health Information to a Business Associate and allow the Business Associate to obtain, receive, and create Protected Health Information on the Covered Entity’s behalf, only if the Covered Entity obtains satisfactory assurances in the form of a written contract, that the Business Associate will appropriately safeguard the Protected Health Information; and

WHEREAS, Council on Aging of Southwestern Ohio (“Covered Entity”) has engaged

_____ (“Business Associate”) to perform services pursuant to an agreement to provide service to Covered Entity, which may be described in a separate contract (the “Services Arrangement”) and Business Associate may receive Protected Health Information from Covered Entity, or create and receive such information on behalf of Covered Entity in the performance of services on behalf of Covered Entity. Covered Entity and Business Associate desire to determine the terms under which they shall comply with the HIPAA Rules;

NOW THEREFORE, Covered Entity and Business Associate agree as follows:

1. GENERAL HIPAA COMPLIANCE PROVISIONS

1.1. **HIPAA Definitions.** Except as otherwise provided in this Agreement, all capitalized terms contained in this Agreement shall have the meanings set forth in the HIPAA Rules.

1.2. **HIPAA Readiness.** Business Associate agrees that it will be fully compliant with the requirements of the HIPAA Rules by the compliance dates established under such rules to the extent necessary to enable Covered Entity to comply with their obligations under the HIPAA Rules.

1.3. **Changes in Law.** Business Associate agrees that it will comply with any changes in HIPAA

Rules by the compliance date established for any such changes. If, due to such a change, either or all of the parties are no longer required to treat Protected Health Information in the manner provided for in this Agreement, the parties shall renegotiate this Agreement, subject to the requirements of Section 5. Any such renegotiation shall occur as soon as practicable following the occurrence of the change.

1.4. **Relationship.** The relationship of the Business Associate to Covered Entity is solely a contractual relationship and nothing in the Services Arrangement or this Agreement shall be interpreted as creating an agency relationship with the Business Associate under Federal common law.

2. OBLIGATIONS OF BUSINESS ASSOCIATE

2.1. Permitted Uses and Disclosures of Protected Health Information.

2.1.1. **Uses and Disclosures on Behalf of Covered Entity.** The Business Associate shall be permitted to use and disclose Protected Health Information for services Business Associate is providing to Covered Entity pursuant to the Services Arrangement, which may include but not be limited to Treatment, Payment activities and/or Health Care Operations, and as otherwise required to perform its obligations under this Agreement and the Services Arrangement.

2.1.2. **Other Permitted Uses and Disclosures.** In addition to the uses and disclosures set forth in Section 2.1.1, Business Associate may use or disclose Protected Health Information received from, or created or received on behalf of, Covered Entity under the following circumstances:

2.1.2.1. **Use of Protected Health Information for Management, Administration, and Legal Responsibilities.** Business Associate is permitted to use Protected Health Information if necessary for the proper management and administration of Business Associate or to carry out its legal responsibilities.

2.1.2.2. **Disclosure of Protected Health Information for Management, Administration, and Legal Responsibilities.** Business Associate is permitted to disclose Protected Health Information if necessary for the proper management and administration of Business Associate, or to carry out its legal responsibilities, provided that the disclosure is required by law, or Business Associate obtains reasonable assurances from the person to whom the Protected Health Information is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person, the person will use appropriate safeguards to prevent use or disclosure of the information, and the person will notify Business Associate immediately of any instance of which it is aware in which the confidentiality of the Protected Health Information has been breached.

2.1.2.3. **Data Aggregation Services.** Business Associate is also permitted to use or disclose Protected Health Information to provide data aggregation services, as that term is defined by 45 CFR 164.504, relating to the health care operations of Covered Entity.

2.1.2.4. **Commercial Purposes.** Business Associate is only permitted to receive direct or indirect remuneration for any exchange of PHI not otherwise authorized under HITECH

without individual authorization, if (i) specifically required for the provision of services under the underlying Services Arrangement; (ii) for treatment purposes; (iii) providing the individual with a copy of his Protected Health Information; or (iv) otherwise determined by the Secretary in regulations.

2.1.3. **Further Uses Prohibited.** Except as provided in Sections 2.1.1 and Section 2.1.2, Business Associate is prohibited from further using or disclosing any information received from Covered Entity, or from any other Business Associate of Covered Entity, for any commercial purposes of Business Associate, including, for example, “data mining.” Business Associate shall not engage in any sale (as defined in HIPAA Rules) of Protected Health Information.

2.2. **Minimum Necessary.** Business Associate shall only request, use, and disclose the minimum amount of Protected Health Information necessary to accomplish the purposes of the request, use, or disclosure. Business Associate and Covered Entity acknowledge that the phrase “minimum necessary” shall be interpreted in accordance with HITECH and the HIPAA Rules.

2.3. **Prohibited, Unlawful, or Unauthorized Use and Disclosure of Protected Health Information.** Business Associate shall not use or further disclose any Protected Health Information received from, or created or received on behalf of, Covered Entity, in a manner that would violate the requirements of the Privacy Rule if done by Covered Entity.

2.4. **Required Privacy Safeguards.** Business Associate will develop, implement, maintain, and use appropriate safeguards to prevent use or disclosure of Protected Health Information received from, or created or received on behalf of, Covered Entity or other than as provided for in this Agreement or as required by law, including adopting policies and procedures regarding the safeguarding of Protected Health Information; and providing training to relevant employees, independent contractors, and subcontractors on such policies and procedures to prevent the improper use or disclosure of Protected Health Information. To the extent Business Associate will carry out one or more of Covered Entity’s obligations under the Privacy Rule, the Business Associate will comply with the requirements of the Privacy Rules that apply to the Covered Entity in the performance of such obligations.

2.5. **Mitigation of Improper Uses or Disclosures.** Business Associate shall mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of Protected Health Information by Business Associate in violation of the requirements of this Agreement.

2.6. **Reporting of Unauthorized Uses and Disclosures.** Business Associate shall promptly report in writing to Covered Entity any use or disclosure of Protected Health Information not provided for under this Agreement, of which Business Associate becomes aware, but in no event later than five business days of first learning of any such use or disclosure. Business Associate agrees that if any of its employees, agents, subcontractors or representatives use or disclose Protected Health Information received from, or created or received on behalf of, Covered Entity, or any derivative De-identified Information in a manner not provided for in this Agreement, Business Associate shall ensure that such employees, agents, subcontractors and representatives shall receive

training on Business Associate's procedures for compliance with the HIPAA Rules, or shall be sanctioned or prevented from accessing any Protected Health Information Business Associate receives from, or creates or receives on behalf of, Covered Entity. Continued use of Protected Health Information in a manner contrary to the terms of this Agreement shall constitute a material breach of this Agreement.

2.7. Security Rule.

2.7.1. Security Safeguards. Business Associate agrees to implement administrative, physical, and technical safeguards set forth in the Security Rule that reasonably and appropriately protect the confidentiality, integrity, and availability of the Electronic Protected Health Information that Business Associate creates, receives, maintains, or transmits on behalf of Covered Entity.

2.7.2. Security Incidents. Business Associate agrees to report to Covered Entity any unauthorized access, use, disclosure, modification, or destruction of information or interference with information system operations which affect Electronic Protected Health Information created, received, maintained, or transmitted on behalf of Covered Entity of which Business Associate becomes aware. Business Associate agrees to also report to Covered Entity any attempted unauthorized access affecting Electronic Protected Health Information created, received, maintained, or transmitted on behalf of Covered Entity of which Business Associate becomes aware; provided that Business Associate determines that the attempted access was material and credible.

2.8. Breach Incident Notifications. Business Associate agrees to notify the applicable Covered Entity of any disclosure of Unsecured Protected Health Information that may constitute a Breach (a "Breach Incident") within 10 days from the date of discovery.

2.8.1. Information About Breach Incident. Business Associate shall provide a report to Covered Entity within 15 days of discovery of a Breach Incident except when despite all reasonable efforts by Business Associate to obtain the information required, circumstances beyond the control of the Business Associate necessitate additional time. Under such circumstances Business Associate shall provide to Covered Entity the required information as soon as possible and without unreasonable delay, but in no event later than 30 calendar days from the date of discovery of a Breach Incident. A Breach Incident will be treated as discovered in accordance with 45 CFR §164.410. The Business Associate's report shall include: (i) the date of the Breach Incident; (ii) the date of discovery of the Breach Incident; (iii) a list of each individual whose Unsecured Protected Health Information has been or is reasonably believed to have been used, accessed, acquired, or disclosed during the Breach Incident; (iv) a description of the type of Unsecured Protected Health Information involved; (v) the identity of who made the non-permitted use or disclosure and who received the non-permitted disclosure (if known); and (vi) any other details necessary to complete an assessment of the risk of harm to the affected individual.

2.8.2. Notification to Individual and Others. Unless otherwise agreed between Covered Entity and Business Associate, if Covered Entity determines that the disclosure of Unsecured Protected Health Information constitutes a Breach, Covered Entity shall be responsible to provide notification to individuals whose Unsecured Protected Health Information has been disclosed, as well as the Secretary of Health and Human Services and the media, as required by 45

CFR 164 Subpart D. Business Associate agrees to pay actual costs for notification and of any associated mitigation incurred by Covered Entity, such as credit monitoring, if Covered Entity reasonably determines that the Breach is significant enough to warrant such measures.

2.8.3. Investigation and New Procedures. Business Associate agrees to investigate the Breach Incident and to establish procedures to mitigate losses and protect against future Breach Incidents, and to provide a description of these procedures and the specific findings of the investigation to Covered Entity in the time and manner reasonably requested by Covered Entity.

2.9. Individual Requests. Covered Entity and Business Associate acknowledge that Individuals have certain rights under the Privacy Rule to access, amend and receive an accounting of certain disclosures of their Protected Health Information. Business Associate further understands that Covered Entity has developed specific policies and procedures to be followed for Individuals who make such requests as an exercise of their rights under the Privacy Rule. A request by an Individual or such Individual's personal representative made in accordance with such policies and procedures to access, amend or receive an accounting of disclosures of the Individual's Protected Health Information is referred to herein as a "Formal HIPAA Request."

2.9.1. Access to Protected Health Information. Within 10 days of Covered Entity's request on behalf of an Individual, Business Associate agrees to make available to Covered Entity any relevant Protected Health Information in a Designated Record Set received from, or created or received on behalf of, Covered Entity in accordance with the Privacy Rule. If Business Associate receives, directly or indirectly, a request from an individual requesting Protected Health Information, Business Associate shall notify Covered Entity in writing promptly of such request no later than 5 business days of receiving such request. If Covered Entity requests an electronic copy of Protected Health Information that is maintained electronically in a Designated Record Set in the Business Associate's custody or control, Business Associate will provide an electronic copy in the form and format specified by Covered Entity if it is readily producible in such format; if it is not readily producible in such format, Business Associate will work with Covered Entity to determine an alternative form and format that enables Covered Entity to meet its electronic access obligations under 45 CFR §164.524.

2.9.2. Amendment of Protected Health Information. Within 10 days of Covered Entity's request, Business Associate agrees to make available to Covered Entity any relevant Protected Health Information in a Designated Record Set received from, or created or received on behalf of, Covered Entity so Covered Entity may fulfill its obligations to amend such Protected Health Information pursuant to the Privacy Rule. Business Associate shall incorporate any amendments to Protected Health Information into any and all Protected Health Information Business Associate maintains. If Business Associate receives, directly or indirectly, a request from an Individual requesting Protected Health Information, Business Associate shall notify Covered Entity in writing promptly of such request no later than 5 business days of receiving such request. Covered Entity shall have full discretion to determine whether the requested amendment shall occur.

2.9.3. Accounting of Disclosures. Business Associate shall maintain, beginning as of the date Business Associate first receives Protected Health Information from Covered Entity, an accounting of those disclosures of Protected Health Information it receives from, or creates or receives on behalf of, Covered Entity which are not excepted from disclosure accounting under the

Privacy Rule. Within 10 days of Covered Entity's request, Business Associate shall make available to Covered Entity the information required to provide an accounting of disclosures in accordance with 45 CFR § 164.528. If Business Associate receives, directly or indirectly, a request from an individual requesting an accounting of disclosures of Protected Health Information, Business Associate shall notify Covered Entity in writing promptly of such request no later than 5 business days of receiving such a request. Business Associate shall provide such an accounting based on an Individual's Formal HIPAA Request to the Covered Entity. Covered Entity shall have full discretion to determine whether the requested accounting shall be provided to the requesting Individual.
