Description:

The goal of the **National Deaf-Blind Equipment Distribution Program (NDBEDP)** is to ensure that every person with combined hearing and vision loss has access to modern telecommunication tools and the training necessary to use them, granting every individual the opportunity to interact with the world as an involved, contributing member of society.

The program "promoted by **iCanConnect**" provides outreach, assessments, telecommunications technology and training free of charge to those who meet federal eligibility guidelines. For more information about the **NDBEDP**, including the Federal Communications Commission's (FCC) consumer guide and eligibility rules, visit, etc.
