### **Description:**

The Mission helps mend lives and create a bridge between people of faith and people who have lost hope. Each year the Mission provides more than 120,000 meals and more than 24,000 nights of shelter to people in need. A hot, delicious meal served with loving kindness can lead a homeless individual to seek the more in-depth help they need to change.

When a homeless and hurting man or woman is ready for the next step in their journey toward health and independence, City Gospel Mission staff and volunteers are there to help. Holistic recovery programs, case management, counseling, and classes are just a few of the many services available to men and women.
