**Description:**

Bittersweet Farms is a provider of support services that include residential, vocational, and day program at Safe Haven Farms, which is situated on 59 acres in rural Butler County, in Middletown, Ohio.

Safe Haven Farms was founded in 2010 by a group of parents who wanted to provide an agricultural community in which their adult children with autism could live and work. The agricultural setting allows for the opportunity to learn new skills that build greater independence, self-worth and dignity. To learn more [click here](#).
