**Description:**

HomeCare.com does not employ or recommend any care provider. HomeCare.com provides technology and tools to help families and Caregivers connect with each other. Each individual is solely responsible for selecting a care provider or care seeker, whichever applies, and complying with local and federal laws in connection with a business relationship they create. There are a number of ways to help pay for in-home care. Some options include: Medicaid, PACE, Long-Term Care insurance (LTCi), life insurance, Veteran's benefits, a home equity loan, or a reverse mortgage. We will briefly address each of these.
