Description:

Also known as Good Days, Good Days exists to pay the prohibitively costly insurance co-pays of life-extending and life-saving treatments for people otherwise unable to afford those treatments. Further, to offer patients and families additional financial help, emotional support, and guidance to the best available information and support for each specific disease state.

A program for people with certain chronic diseases. Helps with the cost of specific drugs. Chronic Disease Fund currently supports patients with more than a dozen different diseases, including many types of cancer (breast, colorectal, lung cancer, and multiple myeloma), multiple sclerosis, asthma, and macular degeneration, to name a few.
