**Description:**

At Shield HealthCare, we measure our degree of excellence by one number: the number of satisfied customers that we serve in the comfort of home.

Our current 99% satisfaction rating from the independent firm Press Ganey is a testament to our commitment to meeting the needs of our customers, helping to ensure that the very best care is given at home.

We continue to be an industry leader delivering brand-name products and excellent customer service, while providing tools and resources to educate and support caregivers and families with medical needs.
