Save the Dream Ohio began in 2008 as a multi-agency foreclosure prevention outreach initiative involving partners from state government, nonprofit housing counseling agencies, and legal aid organizations. The Save the Dream Ohio hotline, 888-404-4674, now administered by the Ohio Housing Finance Agency, connects financially distressed homeowners with HUD-approved housing counseling agencies that help families avoid foreclosure through programs such as the Hardest Hit Fund and Making Home Affordable.

The Ohio Housing Finance Agency provides funds from the U.S. Department of the Treasury and NeighborWorks America to local housing counseling agencies so they may assist homeowners in applying for assistance from Save the Dream Ohio (Hardest Hit Fund) or Making Home Affordable.
