Description:

Founded in 1987, Hope House Mission (HHM) is a 501(C)(3) faith-based ministry, serving homeless men, women and children in Butler, Warren, and surrounding counties in Southwest Ohio. Much more than an emergency shelter, HHM provides comprehensive programs and services designed to promote long-term, sustainable life transformation.

Hope House Shelter for Women and Children accommodates 50 women and their children. More than a roof over their head, it is a place that provides a much needed sense of safety and security. CWC is one of the few local shelters to welcome children. Poverty and housing instability are especially harmful during early childhood, often causing problems in school ... if the child even makes it to school. To combat these problems, children at CWC are provided tutors, mentors and transportation.
