Description:

The Southwest Ohio Chapter of the Hearing Loss Association of America (HLAA) shares the mission of the National HLAA organization: to enhance the quality of life for people who are hard of hearing. HLAA strives to open the world of communication to people with hearing loss by providing information, education, support and advocacy. If you or someone you care about has hearing loss, HLAA can help. Programs feature speakers who address the concerns, needs, and hopes of people with hearing loss and their friends and families. Anyone is welcome to join. Members come from all walks of life and from many age groups.
