Description:

Amaramedical Health Care Services is a contracted provider of Council on Aging offering the following services:

- homemaking
- personal care services
- home care assistance

On occasion, just about everyone needs outside help in caring for a loved one. When it happens to you, we at AmaraMedical Health Care can supply trained medical personnel who care.

CALL ANYTIME

For many of our clients, this is the first time they will need this type of service, and the information provided is intended to help you consider some ideas that we think are important.

LOVING CARE

All of our staff has experience in the health care industry. They are dedicated professionals who recognize the need for psychological as well as physical care.

AVAILABILITY

Our staff is available round-the-clock when necessary. We are one of only a few companies in the area who can provide this kind of service, and when you need it, it becomes very important. Our services are tailored to accommodate every individual's needs, part time, full time, or 24 hours a day.

RECORD KEEPING

Complete records are kept during each shift including medication, activities, meals, and overall patient behavior. This is an incidental part of our job, but there are times when it is of utmost importance to you the patient and your Doctors.
