Description:

Founded in 1987, Hope House Mission (HHM) is a 501(C)(3) faith-based ministry, serving homeless men, women and children in Butler, Warren, and surrounding counties in Southwest Ohio. Much more than an emergency shelter, HHM provides comprehensive programs and services designed to promote long-term, sustainable life transformation.

Hope House Center for Men accommodates 50 men. Daily lunch, clothing and household items are also available to the public in need. The Seek and Find Employment program is designed to prepare clients to identify and seek employment opportunities that offer a career path, rather than a survival-mode job. Clients are taught: work ethics, job responsibilities, "skill building blocks," and tenets of the "Dress for Success" program.
