Description:

The LifeLearn Program is a program for those over 50, designed to provide lifelong learning enrichment experiences and to develop opportunities for sharing knowledge and skills with others. The program is sponsored by the College of Mount St. Joseph in conjunction with Bayley Place. The classes consist of peer learning, a concept whereby volunteer moderators and class members in the community share their knowledge and expertise. There are no exams or grades, only the opportunity to learn for the fun of learning and to interact with old and new friends.
