Description:

A Not-For-Profit Pharmacy has been successfully opened by a group of pharmacists who generated grants from the City of Cincinnati, the University of Cincinnati, College of Pharmacy and Carl Lindner to create an innovative primary care pharmacy for the ambulatory and lower income population of Over-the-Rhine.

The pharmacy sits on the corner of Liberty and Vine Streets in Cincinnati Over-the-Rhine area and is positioned to be a beacon of light, in the transformation and emergence of that impoverished area of the inner city.
