### Description:

Volunteers of America is a national, non-profit, faith-based organization dedicated to helping those in need rebuild their lives and reach their full potential. Through thousands of human services programs, including housing and healthcare, Volunteers of America helps nearly 2 million people across the country – more than 34,000 in Greater Ohio alone.

Established locally in 1896, their ministry of service has supported and empowered America's most vulnerable groups including at-risk youth, the frail elderly, men and women returning from prison, homeless individuals and families, people with disabilities, and those recovering from addictions.

Their work touches the mind, body, heart – and ultimately the spirit – of those they serve, integrating their deep compassion with highly effective [programs and services](#).
