Description:

Dental **OPTIONS** (Ohio **P**artnership **T**o **I**mprove **O**ral health through access to **N**eeded **S**ervices) is a program offered by the Ohio Department of Health in partnership with the Ohio Dental Association. The mission of OPTIONS is to assist Ohioans with special health care needs and/or financial barriers to obtain dental care. OPTIONS patients are primarily adults; many are the "working poor" or elderly living on a fixed income. Eligible patients are matched with volunteer OPTIONS dentists who have agreed to reduce fees for dental care. For more information [click here](#).
