Description:

Beech Acres Parenting Center offers a full range of mental health and counseling services for children. Services are offered at their offices, or at some Greater Cincinnati area schools.

At Beech Acres, they believe in a holistic approach, bringing together a team of professionals from many disciplines: child and adolescent psychiatry, counseling, and developmental behavioral support. By doing so, they can provide the best and most complete treatment options for your child. For more information about the services they offer click [here](#).
