Description:

CILO is the oldest center for independent living in Ohio serving individuals with disabilities in the Greater Cincinnati and Northern Kentucky region. Founded by individuals with disabilities and chartered in 1977, as a 501(c) 3 non-profit, the center is governed, managed, and staffed by a majority of professionals with disabilities. They serve individuals of all ages who have physical, sensory, cognitive, and/or psychological disabilities. They are agents of social change and the practical application of the disability civil rights and independent living movement. They help people become self reliant and live independently to ensure their full inclusion in our community. To learn more about CILO visit their [website here](http://www.cilo.net).
