**Phone:** 513.475.5300

**Phone Extension:** N/A

**Area(s) Served:**

**Contracted Provider:** Not Applicable

**Description:**

To enhance the holistic concept of physical, emotional, social, cultural and spiritual well being of our clients, families and community. We will introduce innovative evidence-based practices and programs that promote abstinence, educate, prevent and treat substance abuse and mental illnesses and other behavioral disorders.

We will provide leadership in cooperation and collaboration with other local, state and national organizations to eradicate those conditions that place children and families at risk.
